

**Regarding certain media reports**

**Tokyo, January 19, 2017** — Certain media have reported that potential sponsors of Takata Corporation (hereafter: “Takata”) have proposed civil rehabilitation proceedings for Takata in Japan. However, these reports are not based on any announcement by Takata. Takata has not made any such decisions and has no information to disclose concerning this matter.

Takata has set up an external Steering Committee and commissioned it to develop a comprehensive restructuring plan to address the various issues related to airbag recalls. As part of its activities this committee is seeking new investors in Takata. Discussions are being held with relevant parties, and any information for disclosure will be announced promptly as it arises.
